The role of sustainability in delivering growth for the public sector and local economies

10th July 2024

Who we are

Local Partnerships is a joint venture between the Local Government Association, HM Treasury and the Welsh Government.

We work solely for the benefit of the public sector. We bring public and private sector experience that provides **confidence, capacity and capability**, helping councils achieve and maintain financial resilience.

Growth and natural capital

The Labour manifesto mentions growth 49 times

“Sustained economic growth is the only route to improving the prosperity of our country and the living standards of working people.”
